What if a single vaccine could protect us against SARS, MERS, COVID-19, and every other coronavirus-related disease, forever and ever?

## POLICY & COMMUNICATIONS

### **Nominee for HHS Deputy Secretary Advances; Still no Word on HRSA Administrator**

The Senate Finance Committee approved the nomination of Andrea Palm to serve as Deputy HHS Secretary on a 20-8 vote late last week. Ms. Palm's nomination now proceeds to the full Senate floor. We are still waiting for word on who will be nominated for the position of HRSA Administrator.

### **Details TBD on Distribution of Free Testing Supplies to CHCs**

On Thursday, BPHC announced that they are waiting for a vendor to be selected to administer the program to deliver free COVID rapid testing supplies to CHCs. Once a vendor is chosen, BPHC will provide updates on when CHCs can expect to receive the supplies. BPHC also indicated that CHCs will have an opportunity in the future to update the quantity of supplies they would like to receive, and that CHCs who did not complete the BPHC survey on this issue would still be eligible to receive testing supplies.

### **National Retrospective: CHCs Responding to COVID-19 – 1 Year Review**

[This infographic](#) presents CHCs response to COVID-19, from April 2020 to April 2021, including information such as the number of patients tested, vaccinated and how PPE supplies, testing result time, and CHC closures have changed.
